Save Up to \$80 On Select Wireless Vocal Systems

XD-V digital vocal wireless microphones are designed to provide the stunning sound quality and reliable performance you need to sound your best every time you hit the stage. Thanks to our advanced technology, XD-V conveys every nuance of your performance in the most natural way, with full dynamic range. The XD-V signal is incredibly clear and strong, so you'll get rock-solid performance and the sound quality of a wired studio microphone. Not only does XD-V offer wireless mic freedom, it helps you find the right sound for your unique style and voice. XD-V handheld systems include up to 10 superb microphone models based on the world's most popular live mics. With a variety of professionally tailored sounds at the ready, XD-V can be optimized for any performance situation with the touch of a button.
