Instant Savings on HX Stomp White

HX Stomp™ is a professional-grade guitar processor that delivers the sound of Helix® amps, cabs, and effects in an ultra-compact pedal. Whether you prefer to play through a traditional amp-and-pedal setup, or go direct onstage or in the studio, HX Stomp seamlessly integrates into a variety of environments and applications. Utilizing the same DSP and HX Modeling technology as its bigger Helix brethren, the HX Stomp guitar pedal nonetheless fits easily onto your pedalboard, or even in the pocket of your gig bag. There are over 300 amps, cabs, and effects. Use it as a "super stompbox," a backup or travel rig, an add-on tone expander when combined with other modelers, an audio interface—or even a complete guitar or bass rig.

From September 9 – September 30, 2020 purchase HX Stomp White and instantly save!

- HX Stomp White – Save \$50 w/ Instant Rebate
